

CMMC SYMPOSIUM

Leopoldina
Nationale Akademie
der Wissenschaften

25 Years of Progress

in Molecular Medicine: From Basic Research to Clinical Application

September 26-28, 2021 in Cologne, DE

Goes
Hybrid

CMMC Symposium 2021

- » Stem Cell Biology and Regenerative Medicine
- » Molecular Oncology and Genomic Medicine
- » Precision Medicine in Cancer Treatment
- » Infectious Diseases
- » Neuroplasticity and Neurodegeneration
- » Metabolism and Aging

Ralf Bartenschlager Heidelberg, DE	Núria López-Bigas Barcelona, ES
Nils Brose Goettingen, DE	Chris J Lord London, GB
Anne Brunet Stanford, US	Ari M Melnick New York, US
Jens C Brüning Cologne, DE	Luigi Naldini Milan, IT
Andrew Dillin Berkeley, US	Laura Pasqualucci New York, US
Gülsah Gabriel Hamburg, DE	Stefan Pfister Heidelberg, DE
Cristina García Cáceres Neuherberg, DE	Silvia Portugal Berlin, DE
Nadine Gogolla Martinsried, DE	Rino Rappuoli Siena, IT
Thomas Graf Barcelona, ES	Dirk Schadendorf Essen, DE
Lora Heisler Aberdeen, GB	Anne Schaefer New York, US
Konrad Hochedlinger Boston, US	Sir Mike Stratton Cambridge, GB
Franz Hofmann Munich, DE	Lorenz Studer New York, US
Rudolf Jaenisch Cambridge, US	Sarah Teichmann Hinxton, GB
Pascal S Kaeser Boston, US	Stephan Urban Heidelberg, DE
Florian Klein Cologne, DE	Patrik Verstreken Leuven, BE
Peter Lichter Heidelberg, DE	Fiona M Watt London, GB
	Michael B Yaffe Cambridge, US
